Succeed

Spring term - January 2024

Year 1 Curriculum News

Thank you for the support last term. The children are very well settled into Year 1 and are working hard with their learning.

We hope you had a Christmas and New Year! We are very excited about the learning coming up this term.

Topic

Our topics are planned through stories. This term Year 1 will begin with the story 'Beegu', which is all about a lost alien, before moving on to 'The Dragon Painter', in preparation for Chinese New Year.

Each time we begin a new story there is an exciting surprise in our environment for the children to discover to gain their interest and attention.

Literacy

Reading

You should all now have a login for Reading Eggs. Please use this fantastic resource at home on a computer, iPad or phone to help your child to read. They can use this programme on their own or alongside an adult.

It is incredibly important you read with your child 3-5 times a week, even if it is reading to your child at bedtime. It really supports their reading development. Please remember to sign the yellow reading record everytime you read together.

Writing

During our writing sessions we will be ensuring that we form our letters in the correct direction and we will be encouraging the children to use full stops, finger spaces and capital letters independently. We are also working on our sentence writing skills.

PE

1D have PE Tuesday and Thursday.

1H have PE Monday and Thursday.

Please bring your child to school **dressed** in the correct Rouge Bouillon PE Kit. All children must wear:

- Rouge Bouillon PE Shorts or Tracksuit Bottoms
- Red PE Tshirt
- Trainers or Plimsolls
- Rouge Bouillon Tracksuit Jacket

PLEASE REMEMBER ALL SCHOOL AND PE UNIFORM MUST BE NAMED CLEARLY.

Library visits – 1D Friday 12th January
1H Friday 19th January

Contact emails: s.delacour@rb.sch.je
e.hammill@rb.sch.je

Maths

During the Spring term, the children will be working on their number facts. We will be learning how to subtract numbers within 10 and begin a new topic on position.

You can support your children at home by asking them to recognise numbers in the environment (shops, house numbers, telephone numbers etc) and also asking them questions about where things are placed (e.g. over/under something).

Dates

NSPCC Number Day – Friday 2nd February
Half term - Monday 12th – Thursday 16th February
