

Year 3 Curriculum News

Respect. Believe. Succeed.

Welcome back Year 3!

Happy New Year from
Miss Barette and Mrs Gentili

Reminders

- Please make sure all **clothing is named**.
- Children should be wearing a white shirt, green school jumper, black trousers or skirts, tie and proper black school shoes.
- All children **must have fruit or vegetables** for snack, and a **named water bottle**.

Homework:

Reading - It is still really important that children read for at least 10 minutes every day at home. It is great to see so many Reading Records being completed so regularly as this tells us a lot about what children have been reading.

TT Rockstars! - All children should now know their x2, x5 and x10. Many are also learning the x3, x4 and x8. All children have their Timestables Rockstars Login, to use daily at home. Teachers are able to see who has been regularly practising, and give house points.

By the end of Y3, pupils are expected to know the 2, 5, 10, 3, 4 and 8 times tables.

English We will be focusing our English lessons on a new book this half term. "The Queen's Nose". We will be reading and writing a range of non-fiction informational texts, while continuing to develop grammar, phonics and spellings.

Maths In maths, we are now focusing on multiplication and division skills, before moving on to time. If possible, please try to practice counting money and telling the time at home. We will also be continuing to develop fluency in the 2, 5, 10, 3, 4 and 8 times tables fluency (and their equivalent divides).

Topic This term we will be focusing on the Ancient Egyptians. Looking at their lifestyles, beliefs and comparing common life to the life of Pharaohs,

Art Inspired by our History lessons we will be looking at some of the Egyptian artifacts and making our own canopic jars.

RE We will be studying festivals in Islamic faith and how these represent what is important to Muslims.

PSHE As it is a new year, in PSHE, we are thinking about looking after our health and wellbeing.

Science In Science, our topic this half term is Light. We will be investigating different kinds of light sources and why it is important.

PE Days

3B: Monday and Tuesday

3G: Tuesday and Friday

If you have any concerns, do not hesitate to contact us. This is best done by email.
