

# Nursery Newsletter

Spring Term 2026

My email address is: [j.beddoe2@rb.sch.je](mailto:j.beddoe2@rb.sch.je)

## Focus Children

We will be continuing the focus cycles this term and all children will have a week where they become the focus child. Each child will have three weeks in total of being a focus child during their time in Nursery. We will use this week to get to know your child's interests and help them progress in their learning.

During your child's focus week, we will be sending home a parent contribution letter. Please take this opportunity to let us know anything exciting that has been or will be happening in your child's life and add pictures of what your child has been doing to Tapestry. We would also like to know what interests your child has so we can use this in Nursery to contribute to their learning.

## Tapestry

We will be continuing to use Tapestry to share learning experiences with you. We also like to see what the children have been up to outside of Nursery. Please upload photos and videos from home to share in Nursery. If you need your password reset, please let the office know.

## Celebrations

This term we will be learning about Valentine's Day, Eid, Mother's Day and Easter.

## Super Smiles

This week the children will begin the Super Smiles programme. They will learn the importance of good dental hygiene and will learn to clean their teeth daily in Nursery for two minutes using a timer. Please reinforce this at home and ensure your child is brushing their teeth every morning and evening.

## Parent Consultations

Parent consultations will take place the week after half term. Please do sign up for a session when you receive the email. Parent consultations give you the opportunity to discuss your child's progress in Nursery and to ask any questions you may have.

## Things to keep practising at home:

- Recognising and attempting to write some letters from their name.
- Taking turns and sharing toys.
- Putting on our shoes and coats and doing up the zip
- Using our marvellous manners to ask for help – please and thank you!
- Counting forwards and backwards to 5 and 10.

## Dates for your diary

**16<sup>th</sup> – 20<sup>th</sup> February** Half term Week  
**Week beginning 24<sup>th</sup> February** Parent Consultations  
**18<sup>th</sup> March** – visit to the zoo. Details to follow  
**Wednesday 1st April** Last day of Spring Term
