

Year 3 Curriculum News

February 2026

Respect. Believe. Succeed.

Year 3 Update!

from
Miss Barette and Mrs Gentili

Reminders

Please make sure all **clothing is named**.

Children should be wearing a white shirt with a school tie, green school jumper, black trousers or skirt and proper black school shoes.

Please ensure toys are not brought into school.

Homework:

Reading - Children must **read every day** and have their reading diary signed. Reading Records must be brought to school every day. House points are given for regular reading.

Timestables - All children should now know their 2,5,10. Many are also learning the 3, 4 and 8, multiplication and divides. All children have their Timestables Rockstars Login, to use **daily at home**.

Spellings - Spelling shed logins have been sent home. Year 3's should be logging in daily and complete at least **one game a day**. Children receive a new list of 10 words each week with an activity sheet to use for some practice. This is the same words as online and will be the words they are tested on. Please practise these words as much as possible.

What happened last half term?

Last half term, we were learning about settlements, finding out what features are found in our local area and how to find them on different maps. In English, we explored diary entries and the use of informal language. In Maths our focus was addition and subtraction. We also made amazing tiger pictures in art, based on the work of Henri Rousseau.

What We Are Learning Next?

We are now using the fabulous story "The Queens Nose" in our English lessons. We will be writing our own advertisements based on some of the features of the book.

For the whole of the Spring term we will be looking at the Ancient Egyptians in History and 'Light and Shadows' in Science. Our DT will see the planning and creating healthy sandwiches.

In maths, we are finishing our work with multiplication and division this term and moving on to time and fractions after half term break. If the opportunity arises, please try and practice these concepts at home as it helps your children to gain confidence in their learning.
