## Children who are Looked After Policy

Updated March 2026

### Definition

'Looked After' is a term that refers to children for whom the Local Authority, or Jersey Government is sharing parental responsibility. This can happen either with parental agreement or when a Court makes a Care Order. The child may be living with foster carers, in a residential unit, with family members or sometimes with their parents. These children are therefore subject to corporate parenting.

This policy includes requirements set out in "Statutory guidance on the duty on local authorities to promote the educational achievement of children under section 52 of the Children Act 2004" and the Jersey equivalent, and associated guidance on the education of Children who are Looked After (CLA).

### Designated Lead: Mrs Jess Doyle

School recognises that all pupils are entitled to a balanced, broad-based curriculum and aims to promote the educational achievement and welfare of pupils in public care. The school endorses the Education Departments policy and welcomes CLA who may be looked after by our local authority or those who may be in the care of another authority but living in Jersey.

School's approach to encouraging and supporting the educational achievement of Children who are Looked After is based on the following principles:

- Ensuring an appropriately trained Designated Teacher is appointed, who will be responsible for all Children who are Looked After.
- All Children who are Looked After will have a Personal Education Plan (PEP) drawn up between the school, the child, and the child's social worker, which will identify the child's individual needs and the support they require
- Having high expectations for the child and ensuring equal access to a balanced and broadly based education.
- Recording, monitoring, and improving the academic achievement of the child in addition to their health and wellbeing.
- Achieving stability and continuity
- Prioritising reduction in exclusions and promoting attendance.
- Promoting inclusion through challenging and changing attitudes.

- Promoting good communication between all those involved in the child's life and listening to the child.

- Maintaining and respecting the child's confidentiality wherever possible.
- Ensuring staff awareness of, and sensitivity to, the difficulties and educational disadvantages of Children who are Looked After.

### **Rationale**

Many children and young people who are in care have suffered abuse or neglect. Despite having as broad a range of abilities as their peers, Children who are Looked After are particularly vulnerable to underachievement. Nationally, Children who are Looked After (CLA) significantly underachieve and are at greater risk of exclusion compared with their peers. Their academic and social progress is likely to be affected by their experiences, and compounded by instability in their personal circumstances. 75% of Children who are Looked After leave education with no formal qualifications. Only 12% go on to further education compared with 68% of the general population. Helping CLA succeed and providing a better future for them is a key priority in our school.

School recognises that Children who are Looked After can experience specific and significant disadvantage within a school setting, and is committed to ensuring that they reach their potential in all areas. We are aware that Children who are Looked After may have specific difficulties in transport and attendance, doing homework, getting parental consent for activities, obtaining funding for extra activities, obtaining correct uniform and equipment, as well as stigma about their circumstances. School recognises that Children who are Looked After may have very specific needs and may be coping with trauma, abuse or rejection, and are likely to experience personal distress and uncertainty.

School believes that the educational experience of all children should be positive and powerful and aims to provide a learning environment in which every Children who are Looked After can be successful. We believe that this school has a major part to play in ensuring that CLA are able to be healthy, stay safe, enjoy, achieve, make a positive contribution to society and achieve economic wellbeing.
